Learning Outcomes

Upon completion of this course students will be able to

Evaluation Procedure

Mid-term Exam	15%	
Final Exam	20%	
Labs	35%	
Research Project	20%	
In-Class Activities	10%	
Total	100%	

Notes

Students must achieve an average passing grade of 50% or greater on the exam portion of the grade and a minimum of 50% total grade in order to pass the course.

Lab work is to be completed individually and requires the use of SPSS computer software.

Lab #1 - 20%

Lab #2 - 5%

Lab #3 - 10%

The research project requires the analysis and presentation of a research report and can be completed in teams of no more than two people.

Class activity grades will be assessed based on completed in-class work. Students must attend the class to complete the required assignments. Class activities not submitted on the day the activity is assigned will not be accepted.

Required Texts/Resources

Essentials of Marketing Research, 5th edition, Zikmund, Babin, 2013, Nelson Education
