Attendance

Treat this class like a job. Attend each class having completed the assigned readings and ready to participate respectfully. If you cannot attend a class, please let me know just as you would with a job.

Policy Regarding Late-submissions

All assignments are due to drop box before midnight on the date indicated in the course-outline unless otherwise indicated. It is your responsibility to upload the correct file. Incorrect files will be considered late. Late submissions will be devalued 10% per day for up to five days. After five days, the assignment receives a zero. In special circumstances where due dates cannot be met, the onus is on the student to contact the instructor in advance and then provide acceptable written documentation (substantive note).
